

# Welcome new bingo card sellers

There have been a few complications with the installation of the Yellowhead/Edmonton region radio system for CFWE. The biggest one was getting the power lines to the property. It now looks like the launch for CFWE Radio in Edmonton will be postponed until late July. Stay tuned - as they say!

On the bingo side, I would like to welcome three new sellers in Fort McMurray and area:

**Gregoire Food Store** – is a family-owned and operated business that has been in Serving the Gregoire community for 15 years. I met Jimmy, Artemis (mom), and Brian at the store. CFWE announcer Wally Desjarlais and I visited there in May and it is a very busy store. Lots of people came and bought their bingo cards while we were there.

**Sobeys** on Franklin Avenue downtown and **Sobeys** in Thickwood. The stores are owned and operated by brothers, Ken & Kevin Clouston. A “hello” goes out to Ken, Shay and Carol at the Franklin Store and to Kevin and Carol at the Thickwood store.

If you want to check out the current sellers the list can be found on the website at [www.radiobingo.ca](http://www.radiobingo.ca).

While in Fort McMurray, I was flagged down while driving on Franklin Avenue and was asked for stickers. Unfortunately, I didn't have any stickers with me so I gave the fellow a cap. He found the station on the dial one day and says he hasn't changed his radio since. There are lots of listeners in town.

If anyone is going to be at Edmonton's Capital Ex this year you are invited to come and visit our booth at Hall E in the Agricom. Someone will be there to answer any questions you have about our publications, radio station or radio bingo. We'll also have draws for prizes and many giveaways - so please drop by to say “Hi!”

**Happy dabbing!**
